Let's face it!

1. Work in pairs, one is student A and the other student B.
2. DON'T show your worksheet to your partner.
3. Take turns to name and describe the people on your worksheet. Describe the person's **facial features, hair colour, hair type, hair style, facial hair, skin tone and age.**

James has blue eyes, long wavy blonde hair, and light skin

4. **Your partner will listen carefully and identify the person on his worksheet**, labelling the picture with the correct name.
5. You can check your understanding and ask questions like "Does James have wavy hair?"
6. Take turns to **name and describe the people on their worksheet until both worksheets are complete.**
